San Miguel de Salinas

San Miguel de Salinas is a very popular Spanish town just 15 minutes drive from the beaches of Mil Palmeras, Campoamor, Cabo Roig, La Zenia, Torrevieja, La Mata, Guardamar etc and surrounded by beautiful countryside which includes citrus and almond groves and the national park of Sierra Escalona right on our doorstep. You can walk and cycle for miles along the canal which runs right next to the town.

There are a great variety of bars and restaurants, both Spanish and international (almost 30 in the town centre alone, which means the annual tapas run event is very popular!!). If you are looking for a holiday destination or a place to live all year round, San Miguel is a great choice as it has all amenities (primary and secondary schools with excellent reputations, banks, health centre which never closes, 3 pharmacies, large outdoor swimming pool, football and athletics stadium, 5-a-side football pitch, tennis courts, padel courts, basketball courts, petanca, crown green bowls etc) and a healthy mix of Spanish and foreign neighbours.

The pace of life is gentle and relaxing, and prices in the bars tend to be more reasonable than the coast (a glass of good red wine from the barrel will set you back just 50 centimos in some of the bars). The weekly Wednesday street market is a great opportunity to stock up on locally grown fresh fruit and vegetables, hams, cheeses, olives, clothes and shoes etc, before having a drink and tapas in one of our friendly tavernas!

There is a good local taxi service and buses run several times daily to Torrevieja, Orihuela and Murcia. Alicante and Murcia airport are both approx 40 mins drive away. San Miguel is a place where you can enjoy a taste of traditional Spanish life and culture, without foregoing the benefits of top-class facilities and amenities. It is a very friendly place too, which we think you will love!
