DESCRIPTION

{loadmoduleid 580} This recently-modernised ground-floor apartment offers 2 bedrooms, 2 bathrooms, utility area, dining room and terrace with fantastic views! The layout is very original, so we have included a floor plan to allow you to fully appreciate the interesting distribution of rooms. Los Pinos is a quiet urbanization but with great access both to local towns and beaches. We are delighted to be able to offer our clients this quirky and delightful property, which many will find irresistible we are sure! Although the development does not have a communal pool, the town pool of San Miguel is a short drive away, as are plenty of other pools and beaches you can use! Nature lovers are also well catered for, with the Sierra Escalona nature reserve which stretches for miles and miles very close by, where you can walk or mountain bike for hours! Located just 2.5 km (30 minutes walk or a 3 minute drive) to the church square in San Miguel de Salinas, in a very tranquil position between the Mirador de San Miguel and Ciudad de las Comunicaciones urbanizations. The Campoamor road is easily accessible and takes you on a beautiful country drive through citrus groves and past the golf courses of Las Colinas and Campoamor to the beach resort of Mil Palmeras, just 10km away (13 minutes in the car). Mil Palmeras is probably our favourite beach town and has some excellent restaurants, but then so does San Miguel, so it's sometimes difficult to choose. The shopping and leisure centres of Orihuela Costa (La Zenia Boulevard, La Fuente, Villamartin Plaza etc) are also a very short drive away. There is a fabulous restaurant called Pimientos located within the Los Pinos development, so only a very short walk of about 200 metres from your front door! All in all, this is a very exciting opportunity, just waiting for you so call Villas Fox today to avoid disappointment!
