A superior 3-bedroom, 3-bathroom occupying the entire top floor of a modern 2-storey building with elevator in the very heart of San Miguel de Salinas. With captivating views of the church square from the lounge on one side and the views across the town and towards the countryside from the covered terrace on the other side, and also from the private solarium too! (The solarium is divided between the two apartments on the second and first floors). We have provided a 360° virtual tour with 3D model and floor plans to allow you to visualise yourselves living in this amazing property! With a total floor size of 194 m2, and with 3 parking spaces in the underground car park accessible via the elevator, and with an additional store room on the solarium, you will not be short of space! The main bedroom occupies a floor space of approximately 37 m2, with an additional 10 m2 allocated to the en-suite bathroom. The other two bedrooms share a family bathroom, and there is an additional WC. Ducted air-conditioning and central heating will ensure you are always at a comfortable temperature whatever the weather, and extra features such as the centralised vacuum cleaning system will make your life easier. The separate, fully-fitted kitchen with breakfast bar and pantry is located adjacent to the large covered terrace (measuring approximately 35 m2) which is a great place to entertain your guests and enjoy the view. But the same view can be enjoyed from the kitchen window and patio doors too. With walnut flooring and an exceptional level of finishing throughout, this is a truly luxurious apartment in a very special location. You can almost reach out and touch the church, and there are several events in the social and religious calendar throughout the year which you will have a birds-eye view of! Available exclusively to Villas Fox clients, we invite you to call us for more information and to find out how to make this home your own!
